

WELCOME TO OUR 2-YEAR PROGRAM

Our two-year-olds will explore, experiment, imagine, and engage with their teachers and peers in a secure and nurturing atmosphere. The learning journey through the Abeka program and other curricula begins in our two-year classrooms, which offer a gentle yet structured environment. Students will be introduced to and encouraged to recognize and count to the numbers 1-10, all letters of the alphabet, a variety of shapes, and many colors.

Students will hear stories from the Old and New Testaments in the Bible, fostering a love for God and how much He loves and cares for them.

A toddler's natural tendency is to discover new things and explore their surroundings. Our students develop in all areas through coordinated indoor and outdoor activities that enhance their gross motor abilities, and engaging art projects that aid in the development of fine motor skills.

We carefully guide our 2-year-olds in appropriate responses to their peers and their environment. Always encouraging both reasonable expectations and positive interactions amongst their classmates and teachers.

In a Christian setting, children are nurtured and challenged to become lifelong learners by loving, dedicated teachers and staff.
