

WELCOME TO PRE-K 3

In addition to having a structured learning schedule and atmosphere, our Pre-K classes for three-year-olds capitalize on their innate curiosity and spontaneous learning opportunities to foster a life-long love of learning.

The classroom setting is well-organized, providing our students with a comfortable, cozy and secure space to thrive. Children are taught to enter every friendship with kindness and take responsibility for their actions. Our goal is for all school friendships to exude thoughtfulness and respect.

We offer the Abeka curriculum and other enrichment activities. The Abeka preschool curriculum turns playtime into learning time, laying a strong academic foundation that prepares each child for the next level of their academic journey.

Children are encouraged to learn numbers 0-15 and will cover all letters (both upper and lowercase) along with their sounds. Colors and shapes are reviewed regularly.

Children participate in a variety of art and craft activities, and units of study. To focus on their fine motor skills, students engage in a range of art and craft projects, learn how to use scissors, and are urged to hold a pencil or marker appropriately. Gross motor skills are improved through active playtimes and organized full-body-motion activities.

Our 3 Year Pre-K students will love learning praise and worship songs, Bible Verses, and stories from both the Old and New Testaments in the Bible. In a Christian setting, children are nurtured and challenged to become lifelong learners by loving, dedicated teachers and staff.

In addition, we offer the following:

- ✓ Music and Library – biweekly
- ✓ PE - weekly
- ✓ Chapel – weekly
- ✓ Daily recess
- ✓ Holiday Parties
- ✓ On-site field trips (we bring fun to our students without leaving campus)
- ✓ A healthy teacher-student ratio for optimal learning

We offer part-time or full-time options. Schedule a tour today!
