

WELCOME TO PRE-K 4

Our 4-year-old classrooms begin an educational journey that includes, among many subject areas, writing and reading skills, sight word recognition, arithmetic and number skills, science and geography, introduction to non-English languages and cultures from around the world.

One thing that marks the Pre-K 4 Abeka curriculum as an outstanding learning platform is the phonics-based system that leads through a progression of vowels, consonants, blends, one vowel and two vowel words, and simple sentences, which create confident and cheerful readers. In addition, children will be counting to 100, counting by 5's and 10's, writing and recognizing up to the number 20, writing first and last names, participating in science experiments and enjoying various units of study that give them a substantial foundation for their future academic experiences.

Every moment is an opportunity for learning, which we embrace with joy and excitement. Students will develop their independence, self-control, and problem-solving abilities as well as their ability to accept both individual and social responsibilities in groups.

A love for God and an understanding of His great love for us will be fostered in our 4-year-old Pre-K students by singing praise and worship songs and hearing biblical stories from both the Old and New Testaments. In a Christian setting, children are nurtured and challenged to become lifelong learners by loving, dedicated teachers and staff.

In addition, we offer the following:

- ✓ **Music and Library – biweekly**
- ✓ **PE - weekly**
- ✓ **Chapel – weekly**
- ✓ **French class – weekly**
- ✓ **Daily recess**
- ✓ **Holiday Parties**
- ✓ **Field Day**
- ✓ **On-site field trips (we bring fun to our students without leaving campus)**
- ✓ **A healthy teacher-student ratio for optimal learning**
